

FS Liveries & Designs 2019 repaint service

If you are looking for a specific repaint we can make it for you. We accept all kinds of textures, including fictional or concepts. Just indicate the aircraft you want with its registration, engine type and any additional details you want to be added.

How does the process work?

Once the customer decides to proceed with the order we will start it. When the work is finished the customer will receive some pictures of the final result. If the customer agrees with the work then the payment can be done. Once the payment is received the textures will be sent.

How is the payment done?

Payment is done via Paypal, in euro currency, once the textures are finished and before sending them.

Prices

Prices vary depending the complexity of the texture and the aircraft developer. Some textures require better quality than others for example.

In order to know the exact price of your livery send us an email with all your details, and we will get back to you as soon as possible with all the information.

Dirty textures

There are three levels of dirt available:

- Slight dirt, with a supplement of 3€
- Heavy dirt, with a supplement of 6€
- Heavy dirt with colourless paint, with a supplement of 10€

Time of repainting and express service

Time of repainting takes from 3 to 5 weeks, depending on the work of the moment.

If you want your livery as soon as possible you can request the express service. With this service, your repaint will be finished in 5 days. The express service has a supplement of 10€.

Express service may not be available at some periods of the year due to excessive work/vacation periods. If express service is not available when you request, you will be informed.

Terms and Conditions:

- Textures are always sent after receiving the payment.
- Payment is only accepted via PayPal in euro currency.
- The client pays for PayPal commissions.
- Any changes in the livery after it is sent will be modified with an additional charge, however, if it is a mistake in the livery it will be corrected without additional cost.
- Once the livery is sent no refunds will be accepted.
- Orders above 100€ require 25% of the total payment in advance before proceeding with the order.
